

# IMPROVING THE FOOD SECURITY AND NUTRITION OF THE MULTI-CRISIS AFFECTED POPULATION THROUGH THE PROVISION OF INCOME SUPPORT AND LIVELIHOODS RESTORATION IN LEBANON

- French Embassy
- December 1st, 2020 – October 31st, 2021
- 1mio Euros

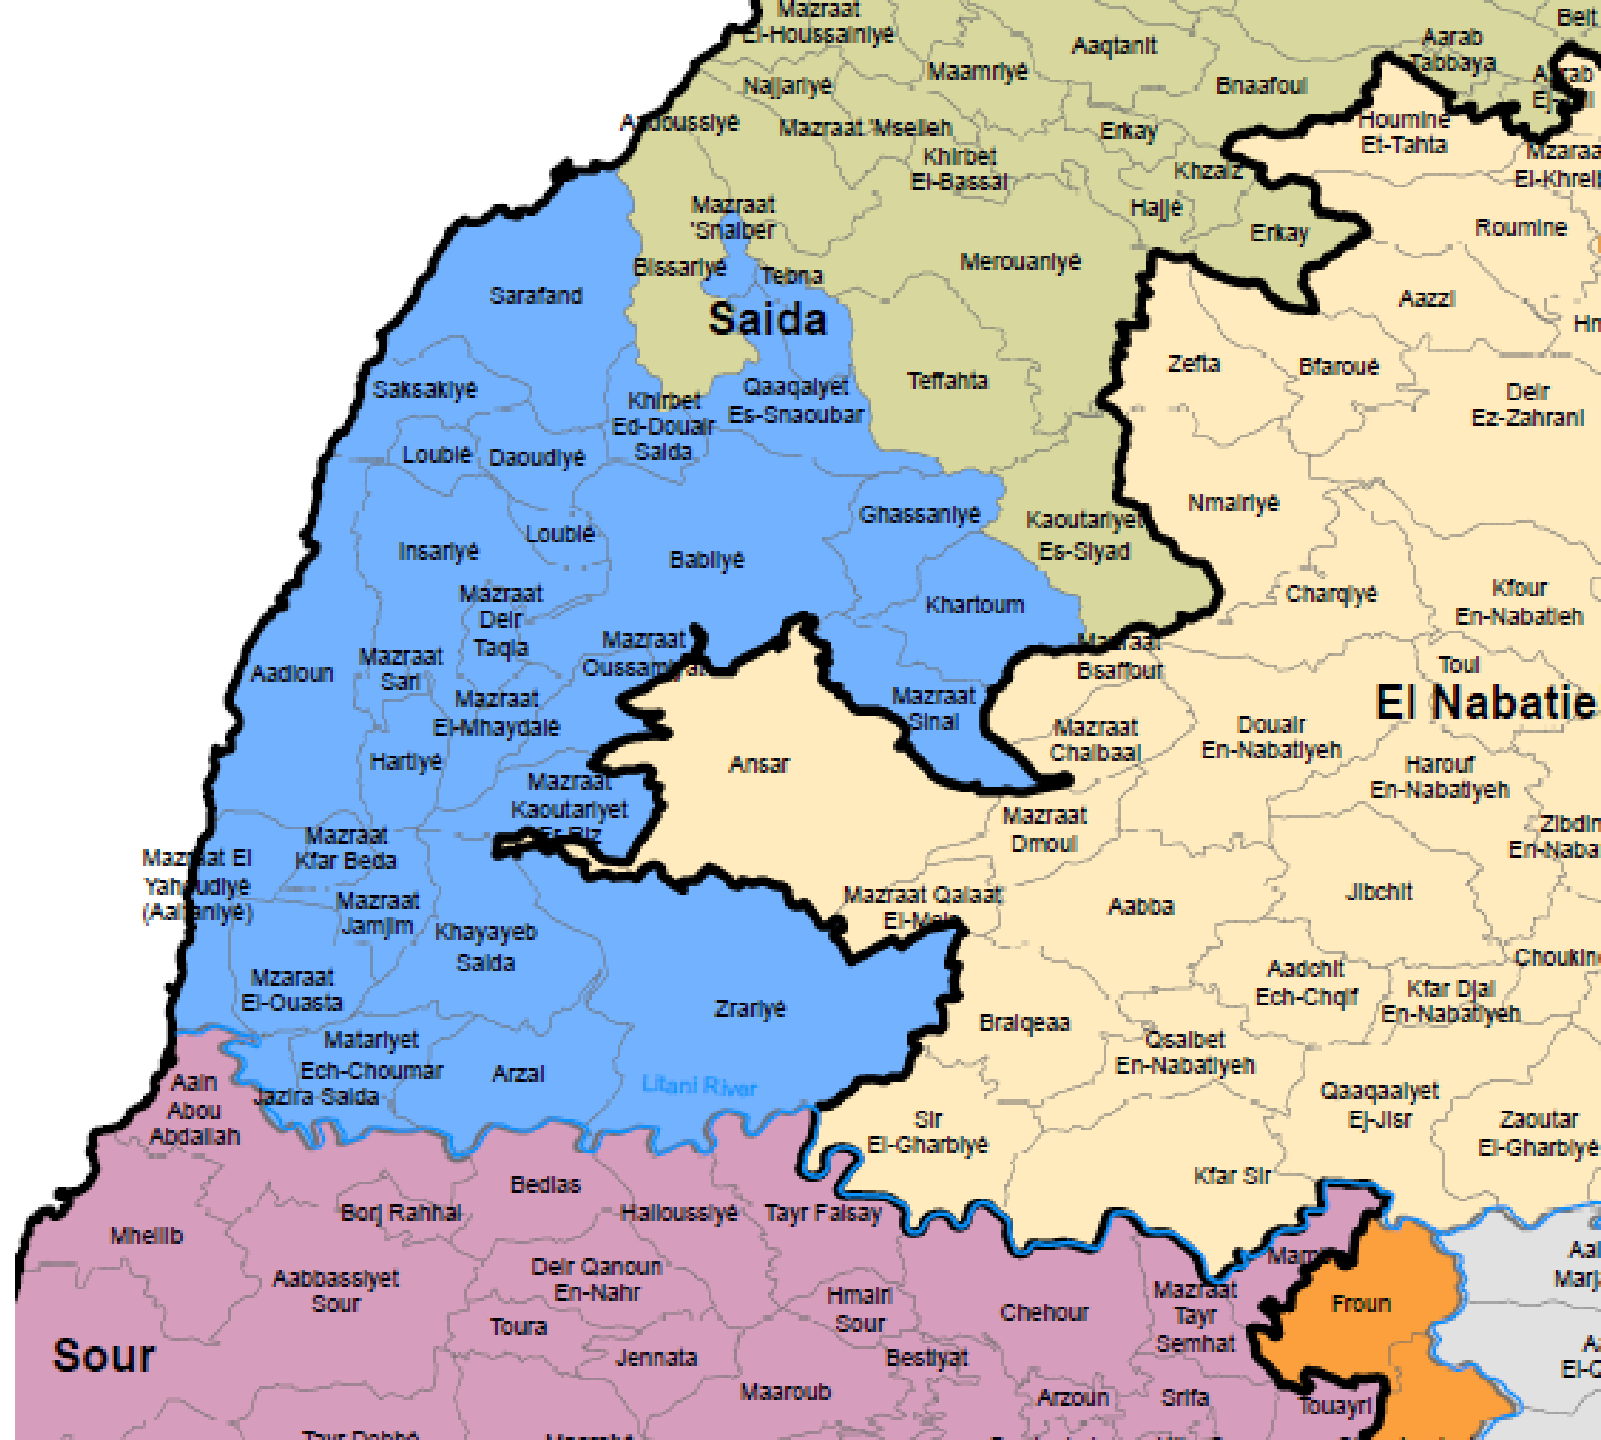

# Main objectives

- 1. Protecting and improving the assets of small-scale farmers and agricultural cooperatives**
2. Supporting blast-affected MSMEs in the food sector through one-to-one business coaching and business grant
3. Alleviating the socio-economic shock and improving the access of vulnerable population to food through multipurpose cash assistance
4. Supporting the adoption of optimal practices regarding nutrition and childcare feeding
5. Raise awareness on COVID-19, preventive and control measures and good hygiene practices

# Livelihoods component

- **Productive assets to 10 small scale farmers** from the Union of municipalities in Sahel Zehrani (from South and Nabatieh Surroundings) + training
- **Rehabilitation services to 5 small scale farmers** in Saksakiye, Sarafand and maybe Loubie + training
- **3 types of needs-based trainings** with local partners (agricultural center, cooperatives etc)
