Federal Ministry
for Economic Cooperation
and Development

PROJECT IDEA (2)

For a world without hunger

- Project outline:
 - **Goal:** Self-help capacities of vulnerable populations and social cohesion are strengthened
 - **Outputs**
 - Agricultural producers develop crisis-adapted market strategies
 - Increased capacity of agricultural actors, increased collaboration through cooperatives, buying/selling committees and other forms of solidarity-based associations
 - Vulnerable individuals gain access to much needed financial injections in CfW programs
 - Improved social cohesion through psychosocial support
 - Strengthening civil society: LOST and another local NGO as implementing partners
 - Coordination with 3RF and LCRP, complementarity with GIZ

COORDINATION

BMZ-financed projects

- GIZ projects in Bekaa, North and Akkar
- Berytech: Food System Challenge

Other donors

- AFD project in Bekaa
- WFP call for proposals in the field of agriculture/livelihoods

Open questions

- Who else is working in the area?
- What kind of collaboration could be possible?

IMPLEMENTING PARTNERS

For a world without hunger

- In Baalbek-Hermel cooperation with LOST is envisaged
- WHH is still searching for the partner organization to implement the project activities in North Governorate/Akkar
