Round of update	WHH mentioned the organization's involvement on high level discussions on Localization and Food Security and confirmed WHH plan to participate at the European Humanitarian Forum (next March) in the Anticipatory Action taskforce. gFSC update: gFSC to be involved at the partnership week to be organized in Geneva (as discussed at previous SAG) with possibility of showcase our work and also having a booth in the week of face-to-face events. gFSC is involved in few initiatives at global level: e.g. working on Cluster guidance on HDPN, JIAF , IASC taskforce in Localization, etc. updates will come along the year on each topic.		
Retreat for Cluster coordinators	gFSC gave an update on the Cluster's coordinators retreat to be organized by end of January. 40 participants (6 NGOs co-facilitators). The retreat will be held face-to-face , no hybrid participation is expected. SAG members contacts will be shared during the retreat and a de-brief for the SAG will be organized after the retreat to share key points, discussions, challenges and outcomes. The retreat will be also an opportunity to discuss the strategy with CCs and their inputs will be included into the final document. Other key agenda points included: JIAF, HPC, Targeting, Cluster performance and anticipatory action learning	gFSC to organize a de-brief session after the retreat	
New strategy follow up and action	After consultations with partners during the GPM, a small taskforce will work on the different pillars for framing the discussions into expected outcomes, activities and roles. next steps: 1. Task forces by pillar will be organized with a SAG member as a lead 2. One pager to be developed by early February by each group/pillar - MInutes of each group discussion during the GPM will be available for the task teams as reference to develop the document. logframe and template to be re-shared for final inputs	gFSC focal point to finalize the groups and send a message SAG members to take the lead of each group for the development of the one-page by pillar
