Also security assessments is very vital especially the newly liberated areas before delivering lifesaving assistance</li> </ul> <p><b>GAPs</b></p> <ul style="list-style-type: none"> <li>▪ There are a huge gap for the region and particularly new liberated area, while the government and the humanitarian partners are responding to the needs of the ground by delivering urgent humanitarian assistance to the affected population across the districts.</li> </ul> |   |
| 3 | <p><b>De-duplication exercise</b></p> <p>To effectively use the limited resources available to organizations while ensuring humanitarian food security and livelihoods assistance reach the most vulnerable population, it is important to minimize and eventually stop any form of duplication in providing assistance.</p> <p>Food Security Cluster coordinator encouraged the partners to fill their ongoing response in the 5W Matrix template so that they can be able to see themselves in the mirror during the presentation. It has been noted that some of agencies are doing interventions across the districts, but their support doesn't reflect in the national food security cluster dashboard.</p>  | <p>FSC to share list of operational partner presence for Hiran Region</p> <p>Partners were reminded to fill and share their Monthly 5W matrix</p> |
