- Planning to distribute Seeds to 3020 HHs in Beletweyne and Buloburte district in March 2023.

Challenges

- Limited presence of humanitarian agencies as well as funding gap is also one of pressing challenges. Also security assessments is very vital especially the newly liberated areas before delivering lifesaving assistance.

	<p style="text-align: center;">GAPs</p> <ul style="list-style-type: none"> ▪ Action against Hunger Reported an outbreak of unknown disease along some of the Outlying villages under Beledweyne district (Dusmo , Jawil and Shirkaneco) and the disease affected species of livestock including shoats. Camel The outbreak of the disease not yet established and livestock professionals in Beledweyne not yet confirmed the outbreak of the disease. ▪ There are a huge gap for the region and particularly new liberated area, while the government and the humanitarian partners are responding to the needs of the ground by delivering urgent humanitarian assistance to the affected population across the districts. 	
5	<p>De-duplication exercise</p> <p>Food Security Cluster coordinator encouraged the partners fill their ongoing response in the 5W Matrix template so that they can be able to see themselves in the mirror during the presentation. It has been noted that some of agencies are doing interventions across the districts but their support didn't include the national food security cluster dashboard.</p>	All Humanitarian Partners
6	<p>AOB</p> <p>Closing & adjournment; The meeting ended by 3:45pm and it was adjourned to Tuesday, 7th March 2023.</p>	All Humanitarian Partners
