

Objectives	Activities	Focal Point	Tasks	Timeline	Who	Progress	
1. Support country clusters' partners in development of nutrition strategies	Facilitate in-country integration workshops for improved nutrition outcomes	Ayadil (GNC) and Andrea (gFSC)	In consultation with FS and Nut cluster coordinators (include WASH and Health as appropriate), select 2 countries for a joint mission, focussing on integration workshops	2018	GNC/gFSC		
			In consultation with country cluster coordinators of the two selected countries, draft country-specific ToR for the joint mission and the integration workshop	2018	GNC/gFSC		
			In consultation with the country cluster coordinators, agree on the timing for the joint visits and finalise logistics/admin arrangements	2018	GNC/gFSC		
			Request the IMOs from country FS and Nut clusters/sectors to map their activities and areas of joint programming and include WASH and Health if feasible	2018	GNC/gFSC		
			Undertake 2 joint missions to selected priority countries	2018	GNC/gFSC		
			For the country joint mission, approach Global WASH and Health colleagues for possible inclusion	2018	GNC		
			Prepare a visit report, validation of the results and dissemination	Two weeks following the country visit	GNC/gFSC		
			Develop a facilitation guide for the inter-cluster workshop	Apr-18	UNICEF Global Cluster Unit (Muireann)		
2. Increase the technical capacity of country stakeholders to maximize nutrition outcomes	Pilot the finalised inter-cluster training package with country stakeholders. Support countries in developing indicators for monitoring integrated response.	Andrea (?) or Domitille (?)	Finalise training materials for cluster coordinators and partners	by 31 Mar 2018	Consultant		
			Identify needs for trainings and select 2 countries to receive the trainings	by 15 April 2018	GNC		
			Implementation of 2 trainings to pilot the package	by 15 June 2018	GNC/gFSC		
	Provide support, follow and review the outcomes of the inter-cluster workshops			Monitor the effectiveness of the training package by conducting a review on whether or not the training has enhanced the intercluster response planing in HNOs and HRPs	2018	GNC/gFSC	
				Liaise with Country clusters and re-assess needs for support based on the post-Rome joint action plan	Apr-2018	GNC/gFSC	
				Support documentation of good practices on the how to show case integration to other cluster members: 3-4 case studies	by the end of 2018	UNICEF Global Cluster Unit (Muireann)	
3. Promotion of integrated nutrition actions in humanitarian contexts	Advocate for sensitive actions with other cluster/sector responses for better nutrition outcomes.	Josephine and Bruno	Select countries where such support will take place, define how the ICWG should identify those issues and decide how to address them.	Jun-2018	GNC/gFSC		
			Develop a strategy on how to communicate the intercluster work within CLA, and cluster partners		GNC/gFSC		
			Contribute to the study on the determinants of cash sensitive programming and positioning and advocacing on nutrition sensitive cash transfer with FSC		GNC/gFSC		
			Promote nutrition sensitive actions among cluster partner	2018	GNC/gFSC
