Humanitarian Crisis in Iraq

7 April 2016

The information presented in this report is undertaken by the Government of Iraq (GoI) and International Organizations working in Iraq; figures are variable, may change according to the situation.

Highlights

- Since the beginning of the ISF liberation operations in the South of Ninawa areas on 25 March 2016, the Iraqi Red Crescent Society has provided relief items to 363 displaced families (2,178 individuals) in Makhmour District.

- On 30th March 2016, the United Nations Human Settlements Programme (UN-Habitat) organized a ceremony to mark the delivery of a new IDP shelter site in Kerbala expected to accommodate more than 400 vulnerable IDP families, and to launch two projects funded by the Government of Japan. The new site was planned and equipped with durable prefabricated shelter units, basic infrastructure and public facilities. In few weeks another four shelter sites implemented by UN-Habitat will be concluded to host more than 10,000 IDPs in Baghdad, Duhok and Missan, the programme announced. UN-Habitat, aiming to support empowerment of communities in the newly liberated areas in Iraq through self-repair and self-maintenance of housing and basic community infrastructure damaged by crisis.

- The Government of Japan is providing a total of USD 4 million to IOM Iraq to support internally displaced Iraqis and Syrian refugees and to fund two projects over 12 months. Some USD 3.5 million will be used to help internally displaced people through the IOM project: Integrated Emergency Response and Community Revitalization Plan for IDPs, Returnees and Host Communities across Iraq. Another USD 500,000 will be used to help vulnerable Syrian refugees and host community households in Iraq.

- On 24th March, 2016 the UNFPA has launched Government of Japan supported reproductive health project at Al-Abbasiya camp in Salah Al-Din Governorate. The clinic is run by the (UIMs) and offers the full package of RH services. The clinic is part of a larger Japan- funded UNFPA project which includes the establishment and support of 22 RH clinics and delivery rooms in 2016 in Al-Anbar, Diyala, Salah Al-Din, Ninevah, Dohuk, and Erbil.

- On 31st March, 2016 the Kingdom of the Netherlands has given US$5.69 million (€5 million) to UNDP’s Funding Facility for Immediate Stabilization (FFIS). Established in June 2015, FFIS is working in nine newly liberated areas in Anbar, Salah al-Din, Nineveh and Diyala Governorates.

- UK Government announces $2 million to help clear IEDs in areas liberated from Daesh in Iraq. This funding will further build on the UK’s gift of 1,000 IED detectors and specialist counter-IED training to Iraqi Security Forces and Peshmerga Forces in Iraq.

- The Joint Crisis Coordination Center (JCC) announced that following the 1st April 2016 Daesh car bomb in Makhmour; the management of Peshmerga forces / Makhmour decided to relocate the IDPs from Makhmour to Dibaga for their security.

Statistics

- The Governorate of Anbar witnessed a newly displacement of 2,469 families from war zones and were distributed on (Al-Wafa camp 941 families, Kilo 18 camp 719 families, Al-Khaldiya camp 635, Al-Anbar camp 201 families), according to MoDM’s statistics on 3rd April 2016.

- IOM’s DTM has identified the displacement of 566,945 families (3,401,670 individuals) throughout Iraq up to 16th March 2016.

- Between 25th and 28th March 2016, the IOM’s DTM has identified the displacement of 403 families (2,418 individuals) in Makhmour District, following the liberation operations which started on 25th March, 2016.

- Between 20th March and 5th April, 2016, 51 displaced families crossed Bzeibis Bridge from Anbar to Baghdad, and 921 returned to Aabar.

- According to MoDM’s statistics on 3rd April, 2016, Anbar Governorate has observed the return of 7,780 families of which 2,671 to Al-Zanqura and Al-Ashiya areas, 3,600 to Al-Garma and Al-
Jazeera areas, 644 to Juaba area, 306 to Al-Sideeqiya area, 296 to Husaiba area, 102 to Al-Souraa area, 161 to Al-Warar, Al-Jameea, Albuwalan quarters.
- IOM’s DTM has identified the return of 92,654 families (547,602 individuals) country wide up to 16th March, 2016.
- On 4th April, 2016 the IOM’s DTM has identified 365 newly returned families (2,190 individuals) to Diyala Governorate. The total number of the returned families has reached (20,451 families) (122,706 individuals) in Diyala Governorate between August, 2015 and 4th April, 2016.
- According to the JCMC focal point on 5th April, 2016 the total number of families submitted requests to return to their areas has reached (7,076 families) of which (4,684 families) returned.

Field efforts- Government efforts

Ministry of Displacement and Migration (MODM)
- MoDM distributed 150 food parcels to IDPs in the main Al-Khaldiya camp in Anbar Governorate.
- 525 tents have been established by MoDM in the main Al-Khaldiya camp up to 1st April 2016.
- In coordination with UNICEF, MoDM provided additional 700 tents to Al-Khaldiya camp along with covering tents installation costs, provision of mattresses and drinking water to displaced families.
- In order to prepare the site for new camp, MoDM has added 125 tents as temporary accommodation, in the nearby area of Al-Khaldiya main camp.
- MoDM has placed 100 tents near Ain Al-Assad military base in Heet District.
- MoDM has distributed 244 relief items in Missan Governorate.

Unmet needs
- MoDM has requested the following items (blankets, mattresses, plastic sheets, kerosene stoves, gas stoves, bottled water sets), in order to meet the needs of 700 families in Al-Khaldiya camp.

Ministry of Trade
- During March 2016, 5,069 displaced families (27,516 individuals) have received food ration items in Salah Al-Din Governorate.

Baghdad Governorate
- In collaboration with IOM, the Governorate has distributed food items and NFI’s to the IDPs settled in random settlements in Al-Karada area, Baghdad Governorate.

The Holy Najaf Governorate
The Governorate has identified the following needs that require immediate response:-
- Establish camps in the Governorate to accommodate IDPs.
- According to JCMC focal point, 7,000 identified and at risk cases of scabies in areas on Najaf-Karbala road and Almanathera District which require immediate response by MOH and WHO.
- Provision of educational supplies and kits to schools that host displaced students in the Governorate.
- Provision of air coolers and water coolers to camps and sheltering centres in the Governorate.

The United Iraqi Medical society (UIMS)
- UIMS has provided medical consultations to IDPs through funds provided by donors, as shown in the table below:-

- Between 27th and 31st March, 2016, ICRC provided health items benefiting 9,604 patients across Ninawa, Erbil, and Dahlok Governorates.

United Nations Agencies

**Health:**

- In coordination and collaboration between WHO and MOH, 2 mobile medical clinic (MMC) and teams were deployed 2,480 consultations provided including 46 referrals in Kilo 18 in Al-Ramadi city, up to 24 March, 2016.
- In collaboration with WHO, Al-Anbar DOH id preparing to re-open five PHCC survived the conflict in the newly accessible areas in Anbar Governorate.
- WHO implementing partner Heevie NGO started the implementation of the Community Health Houses Project to build 13 health houses in Zumur and Rabea districts of Ninawa Governorate. WHO will support the health houses project with the provision of primary health care services to the returnees and IDPs in the newly accessible areas in the mentioned Governorate.
On March 2016, MSF conducted a total of 4,010 consultations including 578 NCD and 346 SRH consultations in Al Zaydan, Abu Munaysir, Alshuhada1, AlShuhada2, Abu Graib district, Baghdad Governorate.

Shelter - Non-Food Item (NFI):
- IOM responded to the recent displacement of 407 families from south Makhmour, where fighting between Iraqi security forces and Daesh is ongoing, with the distribution of non-food items (NFI) at the Dibaga camp for displaced Iraqis south of Erbil. The NFIs included a kerosene stove, towels, rechargeable solar light and a cool box.

Unmet needs
- The UN Inter-Agency Mission to Makhmour on 27 March, 2016 has indicated the following requirements that need to be addressed:-
  - Provision of health services.
  - Provision of dignity kits as part of RRM including feminine hygiene items, sanitary materials, items for children including nappies, baby milk and clothing to the IDPs in Makhmour District.
  - Provide potable water and water tanks.
  - Liquid and solid waste management along with provision of garbage bins.
  - Provision of WASH sevices and (latrines and showers).
