

KERADION ELDERS SUPPORT
ASSOCIATION

September 2022

BAELNA LBAELNA PROJECT

- ▶ Since December 28/2020 G.C after the war in Tigray erupted ,KESA in collaboration with 'Da-thsh' sit com drama has given multifarious supports for those in dire need:
- ▶ Currently we support for 358 children by providing them breakfast of two breads and a cup of tea at daily basis. We keep their hygiene every day besides to the academic assistance we give them. More over we provide the children with medical assistance with the cooperation of Maedot (LNGO).

Cactus Project

- Cactus is another project located at kidana Mihret Church AKA “Eda ‘Etan” that has been rolling for over 5 months now. In this project people with chronic disease (20people), people with disability children (5 people) and lactating mothers (15 people) have been fed breakfast at daily basis. We have also been providing them with the necessary health support.

TESFATAT TIGRAY

- In collaboration with OSSHD and Mulu Charity, we have started a new project in Shire town (a place that is most populated with refugees) providing breakfast and lunch for 312 children, most of which are girls.

SCHOOL FEEDING

- ▶ We have started school feeding for 100 children with the consensus we reached with Bureau of Education Tigray to enroll them in their respective grades in Atse Yohannes primary school and for us to feed them on daily basis.

LOTUS PROJECT

- After having been under construction our yet another project that goes by the name of Lotus will be up on a run in the recent future to give its communal services. After the Lotus project is began it will give service of breakfast, lunch and hygiene provisions to 50 women with their two children of their own and 15 street children. These women will be recruited on the basis of gender-based violence (GBV), homelessness and worst living conditions.

CHALLENGES

- ▶ Shortage of cash(no access to bank)
- ▶ Transportation(shortage of fuel)
- ▶ Communication(no access to internet)
- ▶ Shortage of electric power
