Introduction

This catalog of livelihood dashboards is designed to support FSS partners to plan, design, implement and monitor livelihood interventions. It will be updated on a regular basis and will be uploaded to the FSS Google Drive in both PDF and Power BI format. It is recommended to view the dashboards using Microsoft Power BI for its interactivity.

For more information, please contact info.coxsbazar@fscluster.org.

Limitations

Number of beneficiary household

Number of households in charts which are not disaggregated are cumulative. They may be counted multiple times, depending on the number of activities implemented by each partner. Please note that we are working on changes to display number of unique households – you will be informed of any changes in reporting structure.
