Inflation

NB: No inflation figures have been released by the Central Bank of Sudan since February 2023. Inflation is anticipated to revert to three-digits (250 percent by Q4) as prices in nearly all nonfunctional or imperfectly functioning markets have gone up by three-five times.

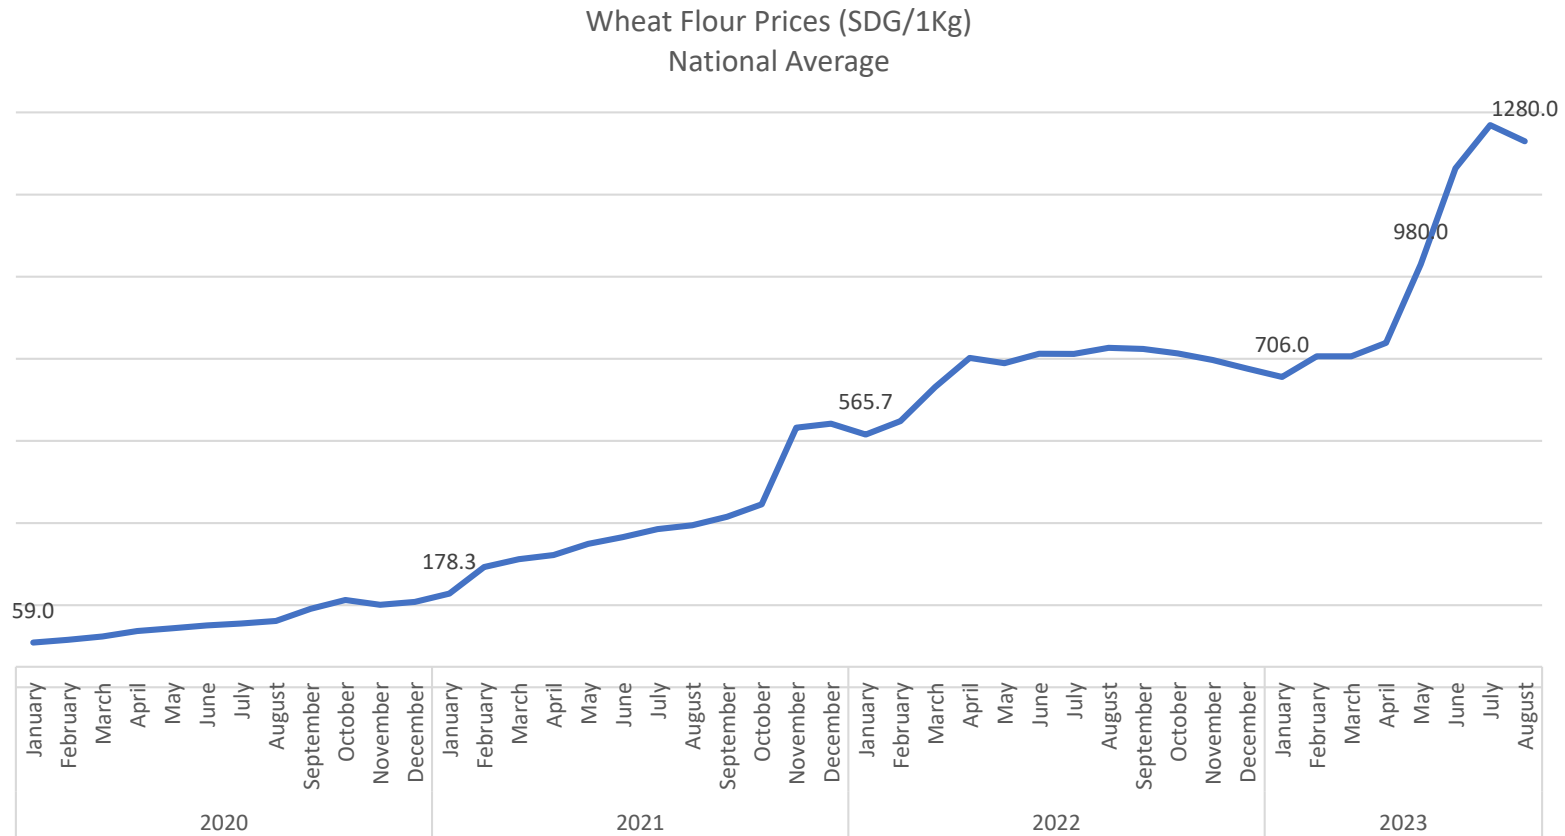

Sorghum

National Average Price of Sorghum (SDG/1kg)

NB: The sorghum price for August 2023 is based on average prices collected from markets in twelve states: Blue Nile, Kassala, North Darfur, South Kordofan, West Kordofan, North Kordofan (Um Rawaba), White Nile, Red Sea, River Nile, Northern, Sennar and Gazira.

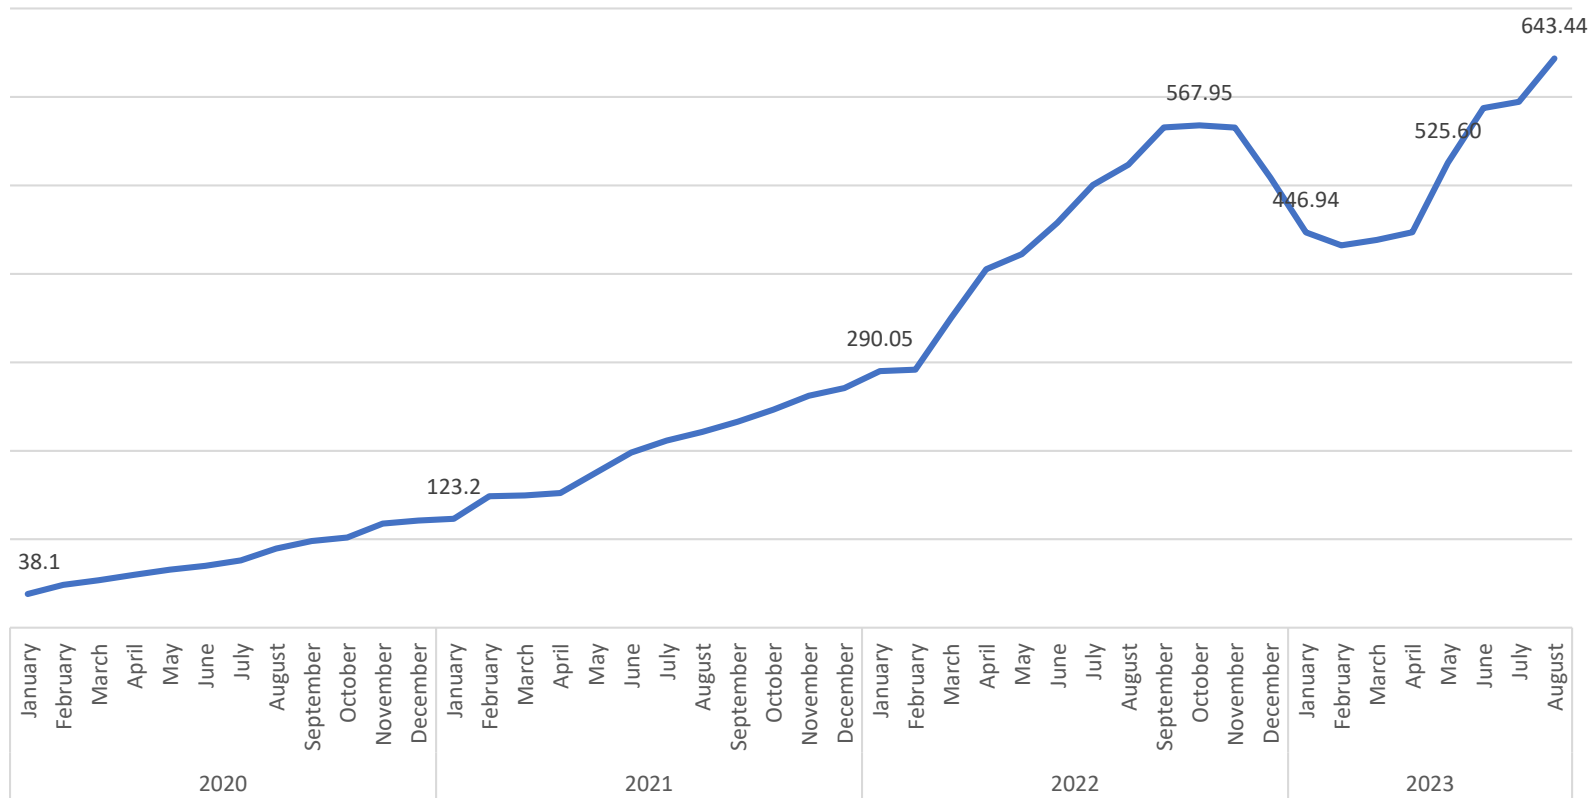

Wheat

NB: The wheat price for August 2023 is based on average prices collected from markets in twelve states: Blue Nile, Kassala, North Darfur, South Kordofan, West Kordofan, North Kordofan (Um Rawaba), White Nile, Red Sea, River Nile, Northern, Sennar and Gazira.

Local Food Basket (LFB)

National average price of local food basket (SDG)

NB: The local food basket price for August 2023 is based on average prices collected from markets in twelve states: Blue Nile, Kassala, North Darfur, South Kordofan, West Kordofan, North Kordofan (Um Rawaba), White Nile, Red Sea, River Nile, Northern, Sennar and Gazira.

Minimum Expenditure Basket (MEB)

Component	July 2023	August 2023	Remarks
Local Food Basket (per person per day)	595 SDG	643 SDG	68 percent of MEB
Non-Food Component (per person per day)	280 SDG	303 SDG	32 percent of MEB
MEB value (per person per month)	26,228 SDG	28,387 SDG	= (LFB + NFI)*30

[MEB – Humanitarian Assistance – Income/Remittances – Self-production = Transfer Value]

Casual Labour Wage Rate
