### Meeting Minutes

#### Key findings of the survey were as under

- A total of 81 organization took part in the survey including L/INGOs, UN agencies, donors and others.
- Overall performance status of FS WG is over 75% which is good.
- Findings were presented in core 7 areas of FS WG including as below;
  - Supporting Service Delivery
  - Informing Strategic Decisions of HC/HCT
  - Planning and Implementing Cluster Strategies
  - Monitoring and Evaluation Performance
  - Building National Capacity in Preparedness and Contingency Planning
  - Advocacy
  - Accountability to Affected Population (AAP)
- A detail set of comments in each aforementioned category were also presented.

#### Feedback from FS Members:

- They requested to have 3-4 hours session with detail presentation in each category of results would be great.
- FS member organizations can come up with their calendars where they have been involved with FSC in past with concrete suggestions/recommendations and feedback will help FSC to improve further.

#### Integration of FSL and Nutrition

- Detail presentation was shared on “Key concepts and main issues for improving Nutrition through Food Security and Agriculture”.
- The whole presentation was focused on below main points;
  - What is nutrition and malnutrition?
  - What do we mean by nutrition-sensitive interventions?
  - Pathways from agriculture to nutrition.
  - Key Recommendations for improving nutrition through agriculture and food systems

### Action Points/Decisions

- Detailed presentation is attached for reference.
- Meeting cum session will be held in June 2017 as per FS members requests.
- Detailed presentation is attached for reference.
- Monitoring and Evaluation for nutrition-sensitive programming.
  - Roadmaps for further improvements was also shared which was based on the feedback from the training stakeholders from Hyderabad, Karachi and Islamabad.

FS WG in Balochistan

- Based upon detail discussion by FS members in previous meeting, insisted to have FS coordination structure in Balochistan to have updates of food security projects of FS members.
- FS members also requested to National FS WG to bridge the gap between Provincial Government authorities and humanitarian organizations there so other organizations can also start their interventions there by taking provincial government onboard mutually and parallel.
- Past presence of FS WG in Balochistan was shared with members.
- Propose to call a meeting lead by WFP in Balochistan? with technical and coordination support of the FSWG at national level
- Formation of FSTWG

The IRP will initiate a meeting with WFP Balochistan office and then requesting FS members to have formal meeting.

- Habib (FAO) and Naseeb (WFP & previous PADMA Balochistan) will be coordinating organizations there.

Returns Update

- The deadline of 30th April 2017 to return all displaced families was not achieved due to various reasons.
- All SWA has been de-notified for which all the return was expected to complete by end May otherwise will be de-registered (will be done till end June or early July).
- In NWA almost 10 % area still not cleared. Past trends of return indicate that if all areas are cleared / de-notified and 200 families be returned the it will take 2.5 months to complete means by end July or beyond. The 6 months food rations thus going at least till end December 2017.
- The IDPs from NWA coming back from Khost expected to continue beyond July.

Further Updates will be shared in next meeting.

- FATA Weekly Return Snapshot y OCHA will be shared with members.

Updates

Situation Response Analysis Framework (SRAF)

- A five-days workshop on SRAF was held from 11 – 15 May 2017, in Karachi.
- In these five days, following main areas of work in discussions, group work and presentations were done;
  - Situation analysis and problem statement
  - Identify all possible options to respond
  - Score, rank and priorities response options
  - Develop and cost prioritized response options
  - Present and discuss findings and proposals

IPC Acute Updates

- This round focused only on four districts of Sindh, namely Jamshoro, Sanghar, Umerkot and Tharparkar.

Detailed training report will be shared with FS members and uploaded on FSC website once get final.

- IPC Chronic report

The IPC Global Support Unit will provide the opportunity for “IPC Acute level 1” certification to the members of the Sindh Provincial Technical Working Group for Integrated Phase Classification. The process includes training, test and participation in analysis.

The participants of the Technical Working Group are strictly from Sindh and include Planning, PDMA, Line Departments, NGOs and UN agencies.

**Primary Data for IPC Acute**

- Data collection through a Livelihood and Food Security Assessment (LFSA) in four district of Sindh namely Jamshoro, Sanghar, Umerkot and Tharparkar.
- Around 1600 households were interviewed and the sample was collected from different sub-districts including urban and rural areas to ensure representation.
- The enumerators were staff of Bureau of Statistics Sindh and local/international NGOs. The data collection team for each district was comprised of 7 enumerators, including 2-3 women enumerators.
- The LFSA data will be used for IPC Acute Analysis planned in last week of May, but, in addition, a detailed report on findings of LFSA will be produced in June.

**FS Preparedness and Response Plan (PRP) 2017**

- Around 25 responses have been received from FS member organizations on two shared two matrixes: Preparedness & Organizational Presence Matrix.
- Compilation of matrixes is in process and will be done by the end of his week.
- Maps for organizational presence will be prepared once the matrix get compiled.
- Narrative of FS PRP is also in process and will be completed by the end of this week.
- The final stock compiled matrix with maps and narrative will be submitted to OCHA next week and will be shared with FS members in next meeting.

**AOB**

- The funding status of FSC in Pakistan is going to be end by the end of July 2017 and in the meanwhile FSC is trying to grab funding for its smooth transitional activates and formal handover to government.
- Ms. Angeliki Dimou (FSC Co-Lead from FAO) is completing her mission in Pakistan and will not be with FS WG after May 2017 while in her absence Mr. Shah Nasir (FSC Co-lead from WFP) will be looking after the FS WG as co-lead until new replacement.
- Ms. Saifa Asif (National Assistant Cluster Coordinator) will also be on leave for a while and Mr. Habib Wardag (Assistant Cluster Coordinator - CWG) will be looking after coordination of FS WG in the meanwhile.

The next meeting will be held in June 2017, the details of venue and time will be shared well in time with FS member organizations.
