**Strategic objective 1 update**

In September, WFP responses constituted 70%, FAO 12%, SCI 7%, CARE 5%, ACTED 3% and the remaining 3% was provided by WVI, NAPAD, DRC, SIF, IRC, Candlelight, SOS, AADSOM, HOD, Mercy corps, WHH and ASEP combined. Responses in Banadir, Awdal and Middle Juba are less than 40% of the target. Nearly 1.2 million people are excluded from assistance mainly due to funding shortfalls. Notably, people assisted with unconditional transfers are mostly those in IPC 3 or worse who experience significant consumption gaps.

Under objective 1 (Improving Access to Food through Conditional and Unconditional Transfers (Cash, Vouchers and In-Kind)) FSC partners assisted 2,243,752 people out of 2,826,500 targeted (79% achievement).
