Strategic objective 2 update
Out of this, FAO response constituted 37%, AADSOOM 31%, ACTED 16%, DRC 8% SIF 4 %, and the remaining 4% was provided by AAH, DKH(SYPD), Mercy Corps and SOGPA combined. Cumulatively from January to November 2021, a total of 1,282,108 beneficiaries have been reached with seasonal emergency agriculture inputs, livestock restocking and treatment activities, trainings, and other livelihoods support. This translates to 146% achievement against the HRP target of 0.9 million (880,987)

Objective 2 (Provision of seasonal livelihood inputs & Livestock asset protection). In November, a total of 132,927 beneficiaries were reached.
