This map indicates the governorates where FSAC partners' Emergency Food Assistance projects are being implemented at the moment. It is based on the data shared with the cluster by the FSAC partners in their monthly achievement reports.

Every label on the map shows the FSAC partners who reported activity in the governorate for March 2022, categorized by modality used in their response.
FSAC partners present in all northern districts, but did not deliver assistance in March due to constraining factors leading to distributions taking place once every two months.

The Number of FSAC Partners per district indicates presence of organizations/agencies without repetition, regardless of whether they operate independently or as an implementing/cooperating partner.

47 Organisations active in March 2022 in 284 districts

Number of Organizations:
- 8 - 11
- 5 - 7
- 3 - 4
- 1 - 2
- No presence*

* FSAC partners present in all northern districts, but did not deliver assistance in March due to constraining factors leading to distributions taking place once every two months.

* The Number of FSAC Partners per district indicates presence of organizations/agencies without repetition, regardless of whether they operate independently or as an implementing/cooperating partner.
