

* This map indicates the governorates where FSAC partners' Livelihoods Assistance projects are being implemented at the moment. It is based on the data shared with the cluster by the FSAC partners in their monthly achievement reports.

* Every label on the map shows the FSAC partners who reported activity in the governorate anytime in the period from January to April 2021, categorized by modality used in their response.

This map shows how many FSAC partners have reported livelihoods assistance activity in each district anytime in the period from Jan to April 2021. Darker colors show a higher number, and lighter colors show fewer partners in the district. Districts in white have no reported livelihoods assistance activity for this period.
