Partners by type & volume of response

Partner Type	Volume of Response
INGOs	28%
NNGOs	7%
UN Agencies & Partners	65%

* This map indicates the governorates where FSAC partners' Livelihoods Assistance projects are being implemented at the moment. It is based on the data shared with the cluster by the FSAC partners in their monthly achievement reports.

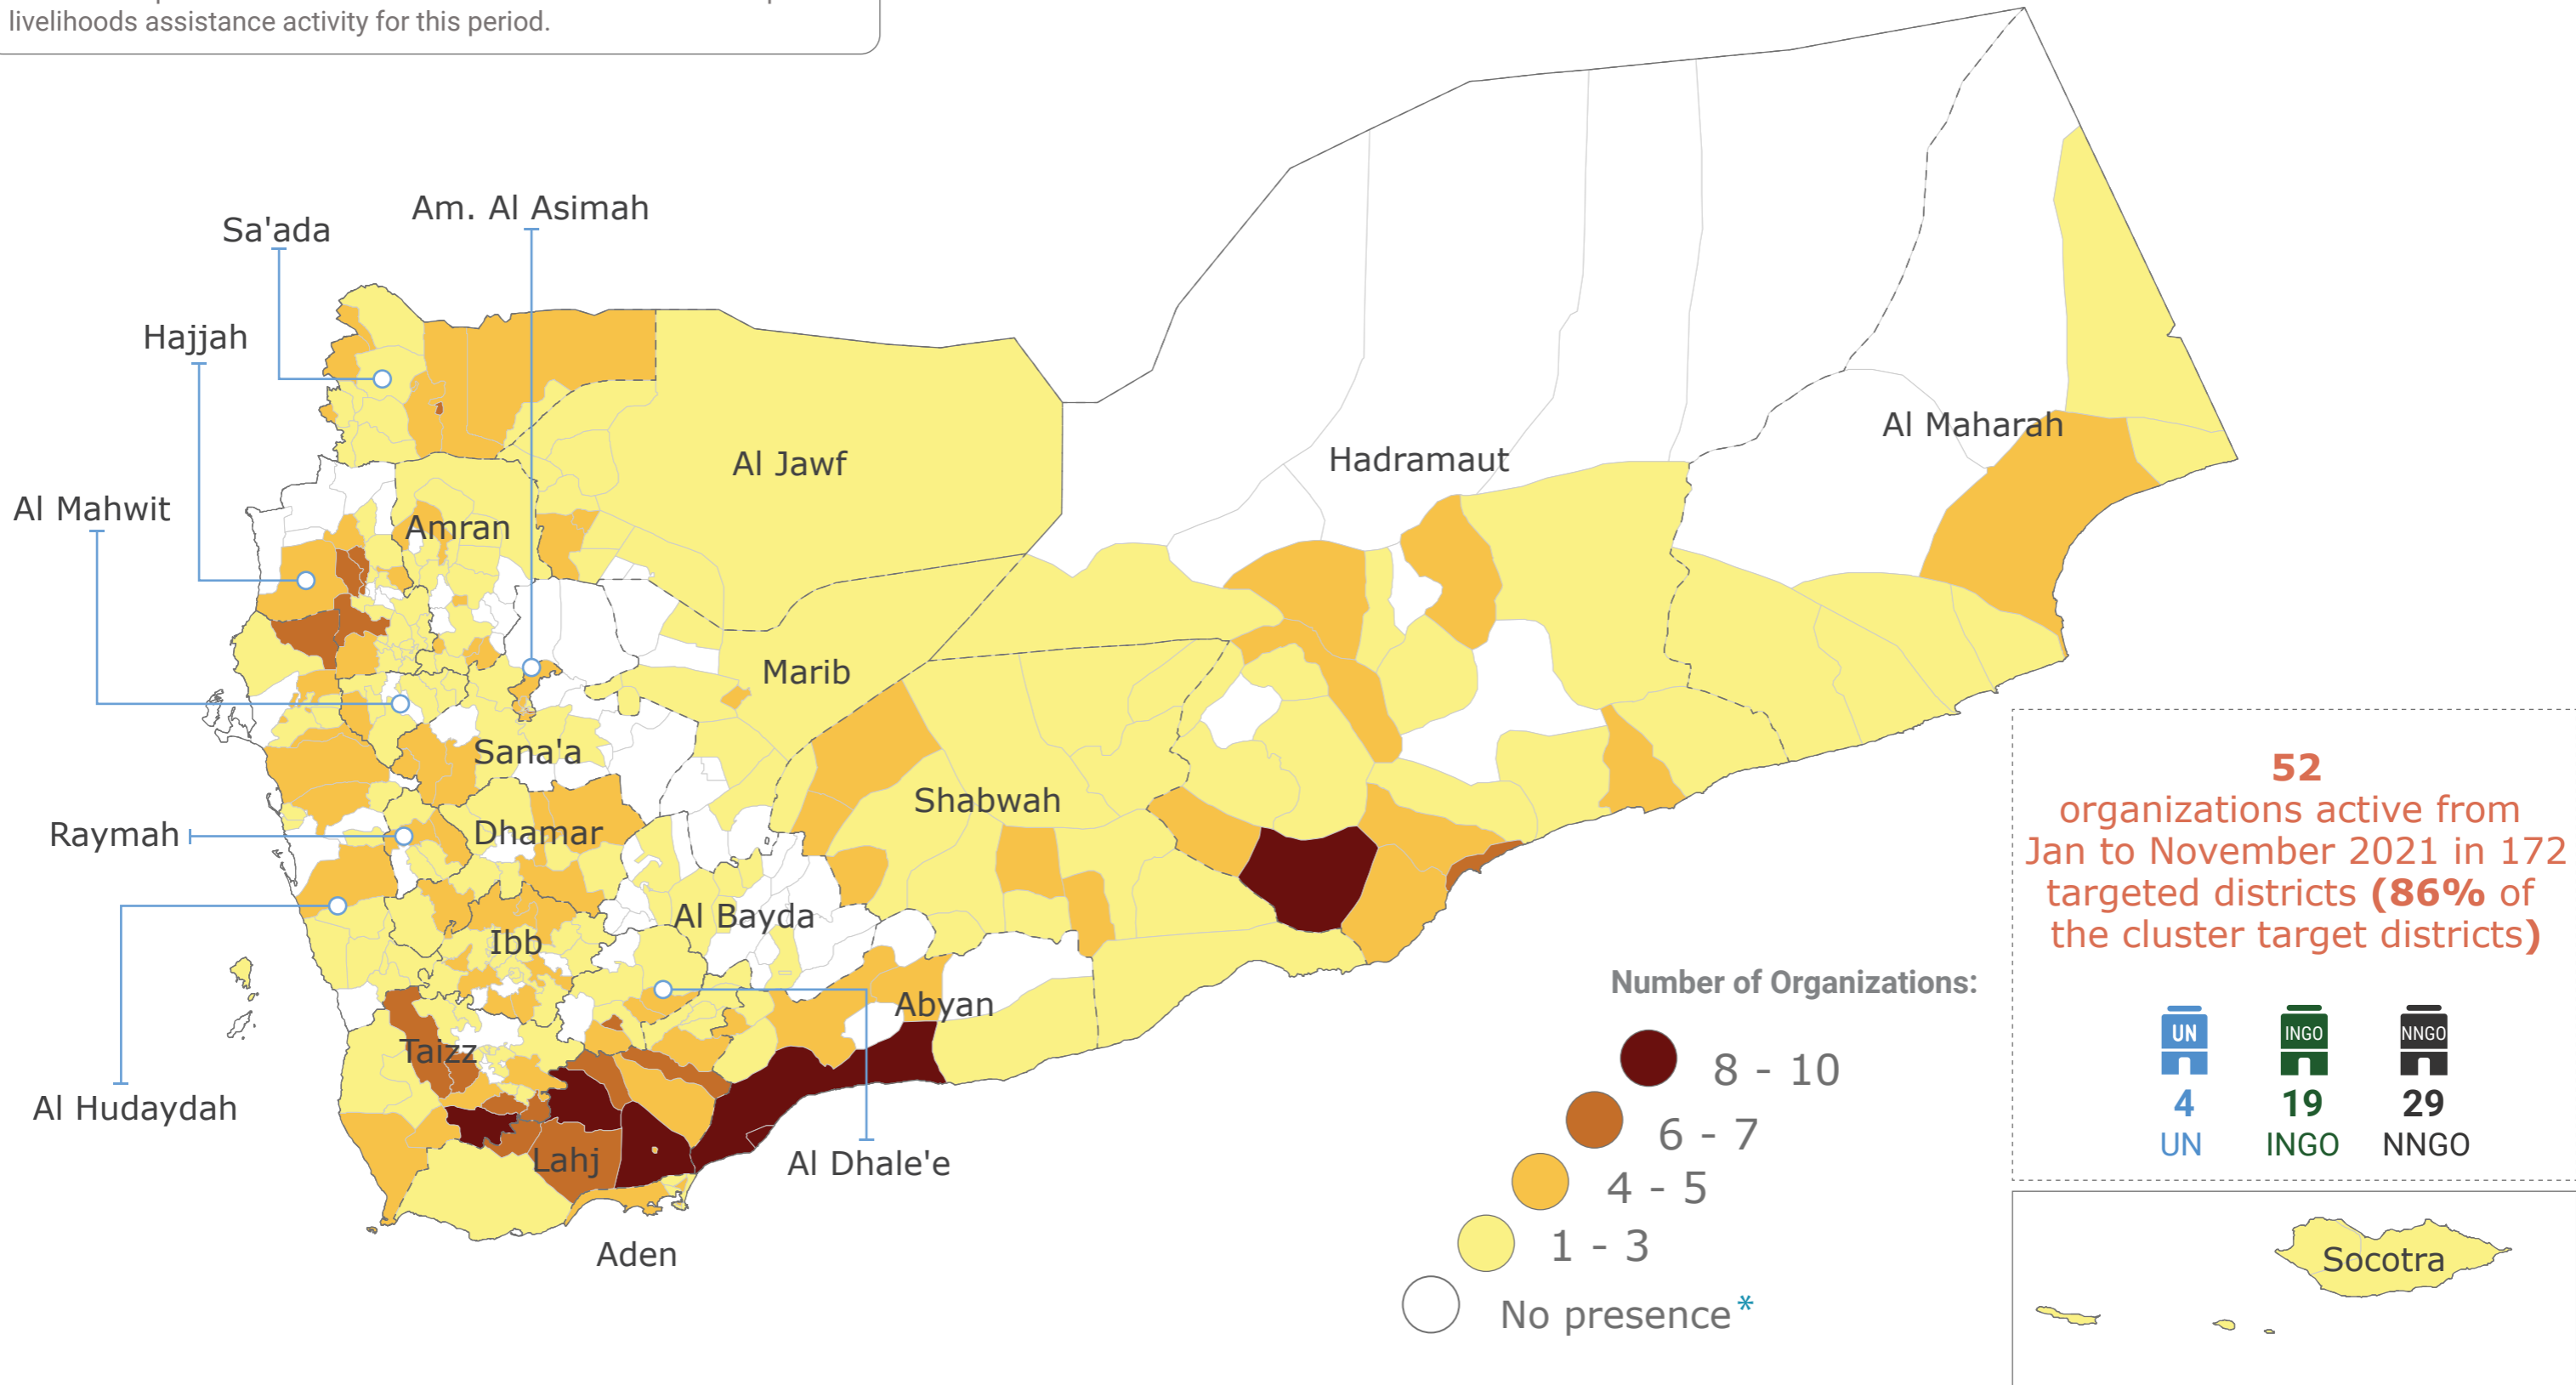

* Every label on the map shows the FSAC partners who reported activity in the governorate anytime in the period from January to November 2021, categorized by modality used in their response.

Legend: Response Modality

- Conditional Cash Assistance
- Livelihoods restoration
- Emergency Livelihoods Assistance

This map shows how many FSAC partners have reported livelihoods assistance activity in each district anytime in the period from Jan to November 2021. Darker colors show a higher number, and lighter colors show fewer partners in the district. Districts in white have no reported livelihoods assistance activity for this period.

* Not FSAC livelihoods target districts/or FSAC partners present but did not deliver assistance in November due to funding constraints.

* The Number of FSAC Partners per district indicates presence of organizations/agencies without repetition, regardless of whether they operate independently or as an implementing/cooperating partner.
