WHO WE ARE

The RRF aims to enable a rapid humanitarian response to external shocks resulting from natural and man-made disasters in South Sudan and Abyei, and through the support of BHA, IOM is implementing the Rapid Response Fund: South Sudan and Abyei (RRF – SS). This is to be done through the provision of grants to allow for immediate access to funds for emergency humanitarian activities. (More information on the RRF quick notes).

New Award 2022-23

- The new award is activated running till June 30, 2023.
- Limited resources and thus a thorough due diligence and vetting will be applied for the selection process.
- The RRF will only address very acute emergencies which are supported by recent IRNAs and or IPC reports.
- The respective clusters will have to pre endorse the partners to avoid duplication as well ensuring that the interventions meet the cluster's objectives of the humanitarian responses.

Triggers

The triggers change depending on the emergence context in the country in coordination with our resource partner.

Current triggers include IPC 4 & 5, Severe diseases outbreak and conflict that has resulted in mass displacement of population.
