**Strategic objective 1 update**

Under objective 1 (Improved access to food and safety nets) FSC partners assisted **1,751,813** people out of 2,736,733 targeted (64% achievement). The number of people reached under this objective is lower compared to what was achieved in May (84%).

Notably, during June partners intervention reduced due to access and funding. As such, partners need to urgently scale up.

In June, WFP responses constitute 51%, SCI 19%, FAO 12%, NRC 5%, AAH, ACTED and CWW each contributed 3% . The remaining 4% was contributed by WVI and IRC combined.

Furthermore, Responses in Banadir, Lower Shabelle, Middle juba and Middle shabelle was less than 30% of the target. Operational partners need to scale up intervention in these regions.

Notably, people assisted with unconditional transfers are those in IPC 3 or worse who experience consumption gaps.
