**COUNTRY RESPONSE UPDATE**

As of January 2019, FSL cluster partners assisted a total 257,343 people through cash-based programs (cash and vouchers). Assisted beneficiaries received support through cluster objective 1 (unconditional food assistance) & cluster objective 3 (transitional food assistance). 10% of the response modality was covered through cash while 90% was undertaken using vouchers. Notably, 100% of the response covered food assistance activities.

As per HRP 2019, a total of 1.6 million people have been targeted by FSL partners with a funding request of 105 million (USD) to reach with cash/voucher programs.
