

COUNTRY RESPONSE UPDATE

As of March 2019, FSL cluster partners assisted a total 437,431 people through cash-based transfer programs (cash and vouchers). Beneficiaries received support through cluster objective 1 (unconditional food assistance) and cluster objective 3 (transitional food assistance). 12% of the response modality was covered through cash while 85% was undertaken using vouchers. Notably, 88% of the response covered food assistance activities.

As per HRP 2019, a total of 1.6 million people have been targeted by FSL partners with a funding request of 105 million (USD) to reach with cash/voucher as a modality.
