The 2020 Humanitarian Response Plan (HRP) has been developed based on inter-sector analysis of the varying humanitarian needs in Sudan. In 2020, the humanitarian community will target 6.1 million people, focusing on those living in 120 localities with the highest convergence of inter-sectoral needs as identified by the Humanitarian Needs Overview (HNO).

**HRP Prioritization and Targeting** per locality

**Funding Requirements** per sector

**Overview of Sectoral Response**

Strategic Objective 1
Provide timely multi-sectoral life-saving assistance to crisis affected people to reduce mortality and morbidity

Strategic Objective 2
Contribute to building resilience to recurrent shocks and improving vulnerable people’s access to basic services

Strategic Objective 3
Enhance the prevention and mitigation of protection risks and respond to protection needs through quality and principled humanitarian action
