

TWG - COVID 19 meeting

Quick evaluation of the C19: Deliverables vs expected results (as per the ToR) & Governance

Monday 9th November 2020

Result 1: joint monitoring system

Expected Results	Achievements
<u>joint monitoring system</u> is established	<ul style="list-style-type: none">• 1 JMF established• 1 workplan with the aim to roll out the pilot and then conduct analysis in all FSC countries
follow the evolution of the risks on food security	2 countries/areas analysed: NE Syria and CXB
capture global food security partners responses trends	Not achieved

Result 2: guidance and knowledge management products

Expected Results	Achievements
<p>Specific <u>guidance</u> for existing activities to be implemented under COVID19 risk is identified and/or developed/adapted (when needed)</p>	<ul style="list-style-type: none">- Guidance on seeds, livestock and food market developed, translated in French, Spanish and Arabic and shared to various networks- Guidance on urban targeting: final draft (editing and desktop publishing pending)- Other guidance – not developed by the C19 WG but shared to the C19 platform (agriculture toolkit, cooked meal)- No other guidance requested so far
<p><u>Knowledge management products</u> (lesson learned, best practices, etc.) are developed and shared</p>	<p>No product developed on LL, best practices. Request from SAG to develop products on this with the other WG</p>

Result 3: Joint Advocacy

Expected Results	Achievements
<p><u>Joint advocacy messages</u> developed with the gFSC partners as well as other clusters</p>	<ul style="list-style-type: none">- Key messages developed and shared in various networks- Nutrition & Urban messaging integrated- Key messages shared during a joint High Level Political Forum (HLPF) side event with both FAO & WFP on the panel.- To continue disseminating message when opportunities arise [e.g. CFS47 & Food Systems Summit]

Result 4: Joint Strategy

Expected Results	Achievements
<p><u>National, WHO and Health Cluster strategy</u> to mitigate Covid 19 impacts are supported by FSC partners' efforts.</p>	<ul style="list-style-type: none">- No joint strategy developed- Inputs to a GCCG* matrix on joint activities- One joint meeting organised by the gFSC and other global Clusters + OCHA on joint activities- Lack of leadership/time/resource

* Global Cluster Coordination Group

Result 5: Information from the wider industry

Expected Results	Achievements
<p><u>Information from the wider industry</u> on key issues that may inform response plan scope and focus over time (e.g., economic analysis of impacts on workforce depletion, market price fluctuations on staple food commodities, impact on SMEs and small holder farms in COVID affected countries) is analysed and information shared</p>	<ul style="list-style-type: none">- 3 research areas launched- Reports will be shared end of November- Collaboration with 2 universities, 6 students

Governance

Structure and activities	Achievements
A focal person in the gFSC support team will support the working group chair(s) to manage and ensure the communications with the working group	<ul style="list-style-type: none">- Done- If we continue, rotation chair/gFSC focal point?
Regular e-mail correspondence, including updates on partners' activities, events, knowledge sharing and learning activities;	partially
Webinars on specific thematic areas of interest;	Not done
Teleconferences on demand;	Not done
WG in the next bi-annual meeting in May 2020	completed
Meeting minutes circulated to all WG members	completed
Workplan	Not developed
