YOUTH WORKING GROUP OVERVIEW
YOUNG PEOPLE AT A GLANCE

• Around 38% of Rohingya Population are 10-24 years old which is around 348,000
• Among them 82.8% are out of educational opportunities
• A small percentage is engaged in voluntary services
BACKGROUND OF YWG

• YWG was formed under the education sector in 2018
• It works as a knowledge sharing platform among the youth actors
• 12-15 organizations are active in YWG
• CP, Education, Health, GBV actors are mostly active
• Initially YWG meeting was bi-weekly, now it is being shifted to monthly
ACCOMPLISHMENTS OF YWG

• Capacity development initiatives: organized a training on Girl Centered Programme Design
• Developed a Roadmap for adolescent & youth activities
• Developed a snapshot on adolescent and youth activities through 4w analysis
• Advocacy and cross-sectoral collaboration
ONGOING AND FUTURE ACTIVITIES

- Organize a lessons learned workshop on youth activities
- FGD and Key Informant Interview
- Update the snapshot with particular focus on challenges and recommendations
- Organize the workshop in Cox’s Bazar and local level
- Develop a two pager document as an output of the initiative
- Localize the Interagency Youth Guidelines and organize a orientation
- Work on skill development framework
