No.	PROCEEDING	ACTION POINTS
1	<p>Introduction:</p> <p>The meeting began at 10:20 am was chaired by SENJO Emmanuel (Programme Policy Officer, WFP Bamenda Office). All partners were welcomed to meeting and their activities in the field to ensure that those we serve receive their assistance was applauded. All participants were invited to actively engage in fruitful discussions.</p>	
2	<p>Cluster Updates: updated 5W Template:</p> <p>Only 5 organizations (WFP, FAO, BARUDEV, SHUMAS, and NRC) reacted to the request to submit 5Ws for the month. A total of 82,001 people representing 7% of the planned target were</p>	- IMO of the FSC to Update the mailing list.

	<p>assisted with emergency food, agriculture, and livelihoods humanitarian assistance. Out of the total beneficiaries, about 76 percent of them received food items/assistance and only 24 percent of the total beneficiaries received assistance through cash and voucher modalities and agricultural inputs and implements.. Partners invited to submit 5Ws on time and incase no activity was carried out indicate through an email.</p>	<p>- Share information management products</p>
<p>3</p>	<p>Brief by protection Cluster Co-Lead(IRC) on protection mainstreaming in activities; Continuation of protection mainstreaming coaching session by protection co-lead IRC. 3sessions were organized 6 months ago for FSC, Education and Wash clusters on general principles, score card and Action. At the end of the last session trainees developed an action plan which had to be followed by FSC? After 6 months the plan had to be reviewed to identify successes made so far, difficulties and make recommendations. The net coaching session has been planned for next month wherein FSC partners capacities will be built on protection mainstreaming while prioritizing the following:- cause no harm, meaningful and inclusive access, accountability and participation and empowerment.</p>	<p>Brian to share tool with cluster lead after coaching session.</p>
