FSLC 2022 Reporting Status

Kamile presented the updates on the reporting since 24 February 2022.

UHF Standard Allocation (to be launched late February 2023)

Kamile presented the updates on the UHF plans and figures for 2023.

Winterization survey: needs of people with disabilities and the elderly (HelpAge)

Nataliia Kondakova presented the winterization survey of the needs of people with disabilities and older people fulfilled by HelpAge for the FSLC in cooperation with National Assembly of Persons with Disabilities of Ukraine (NAPD) under the Protection Cluster.

Key points:

- People with disabilities and older people are not ready for winter in rural areas
- People with disabilities and older people require cash assistance
- Food assistance is required alongside with other commodities
- Ongoing work on data collation/consolidation
- Use the link below for planning activities to assist those vulnerable groups of the population

LBA/COAR discussion of evacuations and request for information on conditions in Kherson

Josh Nadeau presented a situation report for Kherson.

Key points:

- Residents haven't had access to proper utilities since November
- Food security situation has improved. Presence of humanitarian actors, functioning food markets
- Livelihood situation is complicated. Lack of employment opportunities, poor access to farmland due to UXO contamination
- Social payments are delayed and hard to come by
- The Ministry of Reintegration of Ukraine provides evacuation opportunities

Upcoming reports for Feb:

- 1) Perceptions and reactions to electrical grid issues
- 2) Barriers to social cohesion in de-occupied territories

Feel free to sign up online (please use your work emails only): <https://leftbankanalytics.org/>
