3	<p><b>Presentation on Livestock Emergency Guidelines and Standards (LEGS).</b></p> <p>The presentation highlighted the history, description of the training program, Trainers/Trainees and Nigerian context. This was initiated after the Rwanda genocide in 1994 by the humanitarian agencies and the UN. This initiative is the guiding principle for humanitarian response in crisis affected population. The 8 core standards of LEGS ensures strengthening of humanitarian response. One of the important challenge in livestock response program is the lack of co-ordination which LEGS addresses.</p> <p>The presentation can be found ----→ <a href="#">HERE</a></p>	<p>More trainings is needed for livestock WG partners.</p> <p>LEGS website: <a href="https://www.livestock-emergency.net">https://www.livestock-emergency.net</a></p>
