

# Making Food Systems Work for Healthy Diets

*Presentation of the Draft Voluntary Guidelines on Food Systems and Nutrition  
by the Committee on World Food Security*

**WHEN** : The United Nations (UN) Global Food Security Cluster (gFSC) and the  
**Date:** 28th of July, 2020 : Committee on World Food Security (CFS) Secretariat are pleased to invite  
**Time:** 2:00PM – 3:30PM : you to a webinar on the CFS draft Voluntary Guidelines on Food Systems and  
 (Rome Time) : Nutrition.

**WHO** : The objective of the Guidelines is to promote equitable, resilient and  
 - Committee on World : environmentally sustainable food systems that contribute to and enable  
 Food Security : healthy diets, in line with the goals of the 2030 Agenda.  
 - Food Security Cluster :

**WHERE** : The session will discuss the nature, objectives, and content of the Guidelines  
 Online webinar: : and how this can tie into the work of the gFSC and partners' work at regional  
<https://fao.zoom.us/j/92408457655> : and national levels. The Guidelines adopt a "food systems lens" to promote  
 policy coherence and act as a reference for countries to accelerate efforts to  
 eradicate all forms of malnutrition

The webinar is aimed at:

- FOLLOW US** :  
 @FSCluster :  
 @UN\_CFS :
- Familiarizing participants with the CFS and showcasing examples of its processes and products;
  - Introducing the current version of the Guidelines, the core messages and overarching goals;
  - Stimulating a discussion on the potential role of the Guidelines in steering decision-makers and stakeholders when drafting policies, laws, regulatory frameworks, strategies and programmes at local, country, and regional levels;
  - Reflecting on potential areas of collaboration between the CFS and the gFSC, with particular attention to the Guidelines' application in support of the gFSC's emergency coordination, strategic programming and monitoring of operations.

## Speakers

- **Bruno Minjauw**, Global Coordinator, gFSC
- **Christopher Hegadorn**, CFS Secretary
