

**United Refuge is a US based non-profit organization that supports communities on the front lines of global fragility.**

# Number of Forcibly Displaced People Reaches 100 Million

Number of forcibly displaced people worldwide by year

Internally displaced, refugees and asylum seekers.

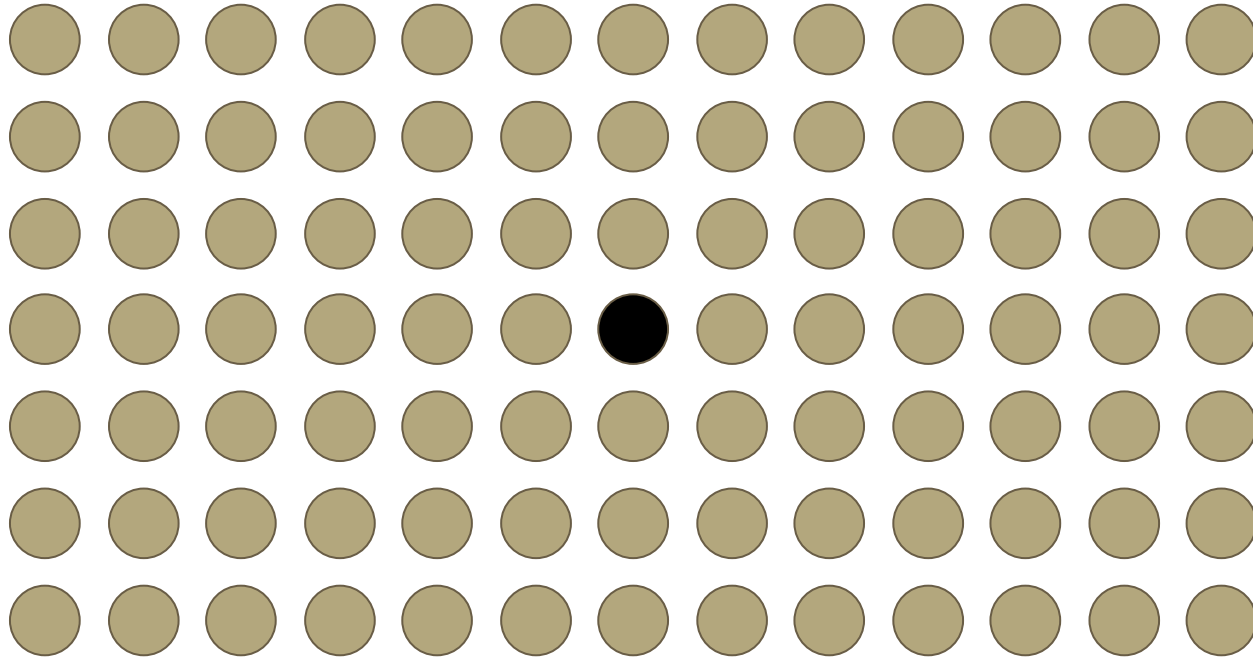

\* preliminary figure \*\* preliminary figure as of May

Source: UNHCR

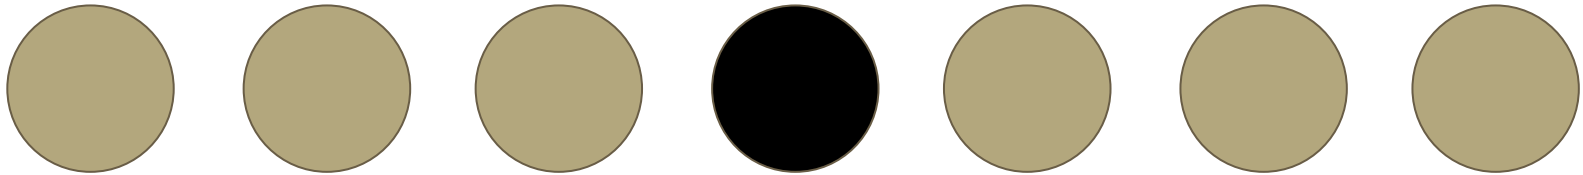

The world is woefully unprepared for the current and coming crisis of displaced people. As even current global crisis fail to reach their funding goals.

# Today, 1 in 78 humans is displaced

UNHCR Global Trends, <https://www.unhcr.org/en-us/globaltrends.html>

# In 50 years up to 1 in 7 humans could become displaced

Source, Institute for Economics and Peace. <https://www.economicsandpeace.org/wp-content/uploads/2020/09/Ecological-Threat-Register-Press-Release-27.08-FINAL.pdf>

**Local communities are the ones who are most connected to outcomes.**

**YET, ACCORDING TO THE GUARDIAN...**

**Less than 2% of humanitarian funds  
'go directly to local NGOs'**

# United Refuge supports people helping people

Facilitating the connections  
between **haves** and **needs**.

# Resilience happens at the speed of relationships

**By nurturing this process among multiple community based organizations, we foster an atmosphere of collaboration, rather than of competition.**

**While In crisis and trauma, small community led organizations often don't have the operations or administrative support that they need.**

**By providing this support, United Refuge helps community organizations grow their capacity and connect with funding and other resources.**
